

Bay Association of the Northern California-Nevada Conference of the United Church of Christ

Grants Policy

The Bay Association Executive Council has refined guidelines and procedures for the use of funds received at ordinations and installations. This policy describes the types of grants awarded and how to apply for them. The majority of all grant monies will be awarded to congregations to fund Ministers-in-Training. Additional grants, which also aid persons preparing for ministry in the UCC, will be awarded based upon availability of funds and number of applications. Decisions of the Bay Association Executive Council are final.

PART ONE: Grants to Congregations

Who Can Apply: Any congregation with standing or in-care status in the Bay Association. Current guidelines and application forms can be downloaded from the Bay Association website: <http://bayassociation.org>.

How to Apply: Contact the Bay Association MIT Grant Coordinator if you did not receive a mailing by mid-February. Listing of council members is available online at: <http://www.bayassociation.org/>. Keep in mind that the Bay Association Executive Council meets monthly, ten times a year.

I. A. Minister-in-Training Grant

Purpose: To offset cost of hiring a Minister-in-Training to work with your congregation for a full academic year.

Amount: Not to exceed one-half of the PSR Field Office's suggested minimum stipend; cost to be shared with local congregation and other sources

Comments: Qualifying Minister-in-Training programs are directed by a local seminary and require a supervising pastor.

Deadline: April 1st.

PART TWO: Grants to Persons In-Care

Note: Three types of grants are available to individuals.

Who Can Apply: Any individual on track for ordination in the UCC who has been taken in-care by a Bay Association congregation, even if in-care status has yet to be established with Committee on Ministry – Section A. If awaiting a meeting with Section A, please include a message from someone from your church who can validate your local church in-care status.

Overall Expectations: Persons who receive grants from the association are expected to participate as fully in the life of the association as possible. In-care persons receive free admission to seasonal meetings of the association, and should also attend as many local UCC gatherings and ceremonies as possible – especially those hosted by the Bay Association or the Northern California-Nevada Conference.
